

NOVEMBER 26, 2012 WORKSHOP
Colleen Curry
Making Fiber Beads Supply List

Everyone should bring 4 or more strips of fabric cut at 2". These will be cut in half and exchanged. Each person will end up with what they brought and many other 1/2 strips to experiment with. Bring cotton, corduroy, velvet, silk,--anything, a variety. You will also need a small bottle of Fabri-Tac or SoBo glue, or something like these. There is a small kit fee of \$5.00 since other items needed are furnished by Colleen (cost is included in class fee)
